

## LE MAS DE PIERRE 5\*

Saint Paul de Vence (France)  
Relais & Châteaux

In a 7.5 hectare Mediterranean park full of hundred-year-old olive trees, on the doorstep of Saint-Paul-de-Vence, Le Mas de Pierre overlooks hills and valleys.

54 Provencal, romantic and colonial rooms and Suites are hidden behind the red tiles and white stones of the bastides.

As far as cuisine is concerned, the Chef proposes a family cuisine with the flavours of the South, composed of the finest regional specialties.

Other delights include a swimming pool, a spa, a sumptuous greenhouse with orchids and a deliciously fragrant garden.

The adult-only “La Bastide des Fleurs” offers six spacious suites – 4 Junior Prestige Suites and 2 Prestige Suites – with terraces, butler service, access to private pool, reserved cabanas, and a bar area with complimentary soft drinks. The entire Bastide can be reserved for a group of 12.
