Moira Fitzpatrick introduces newly opened hotel in heart of Paris

Dear Colleague:

La Villa Haussmann is ideally located at the heart of Paris, in the 8th arrondissement between the Opéra Garnier and the Arc de Triomphe, near the Champs Elysee, and just a few short blocks to the flagship Galeries Lafayette. This elegant hotel features a contemporary ambience combined with historical accents from the Second French Empire, an architectural style developed by the hotel's namesake Baron Haussmann under the rule of Napoleon III (mid-19th century). Mirrors, black lacquer, ash-colored leather, dark passageways, light rooms, chandeliers combine history and fashion, comfort and elegance, tradition and modernity. The stylish lobby, for example, includes a reception desk crafted of black lacquer and silver bronze silhouetted against a backlit onyx wall, a sofa with contemporary lines and a “Wersailles” chandelier made of Limoges porcelain – surrounded by black and white floor tiles.

Dining & Lounges

The hotel's timeless, elegant N3 Restaurant and Bar offers both classic and creative cuisine, showcasing regional products. At noon, the N3 revisits the concept of the Parisian brasserie by offering a classic yet imaginative lunch menu featuring products that are appetizing, healthy, local, organic and seasonal, as well as a number of heirloom foods. In the evening, the bar's cocktails are made with old-fashioned spirits that were particularly favored during the Second French Empire, and served with savory appetizer bites. Monthly or bi-monthly themed evenings are organized on Thursdays in partnership with producers to showcase remarkable specialties such as varieties of beef, salmon, whisky, caviar, tomatoes, plus remarkable pairings, such as "oysters and champagne." **The hotel also offers a daily buffet breakfast – when booking through Moira, guests receive breakfast for two daily, bottle of wine with card from TA and a welcome amenity. In addition, the hotel is offering a 3-course lunch for 2 (not including beverages) valued at 70€ -- through Mar 31, 2017. Also offered is an evening glass of Champagne with tapas for two and late checkout valid July 19 – Aug 31. Both offers include 12% commission. .**

Wellness & Relaxation

The pool, fitness center and spa are tucked into the hotel's lower level. The pool, with its stainless steel structure, magnificent wall coverings and sparkling chandelier gives a festive Second Empire-style touch and is amplified with theatrical lighting. The leather-walled fitness area is appreciated for its cozy atmosphere. The full service spa includes a steam room, a variety of massages (deep-tissue, hot stone, sports and Swedish), treatment therapies, such as reflexology, plus manicures and pedicures. In addition, complimentary bicycles are available for guests.

Currently spa services are conducted in the privacy of the guest rooms. A new 3,000-square-foot ocean side spa will be opening in the fall of 2016 including a sauna, thermal pools and treatment rooms. Eighteen different spa packages offer a variety of herbal or thalassotherapy treatments: esthetic (facials, manicures, pedicures); massage (Swedish, deep tissue, hot rock, aromatherapy); body treatments (wraps, sea salt scrubs). As well, a new Ocean Club is to be established to offer 100 members their own club room, discounts and room upgrades, and a variety of outdoor activities

Meetings

The hotel offers meeting rooms, including a 40 sq.m modular room on the main floor that accommodates up to 20 people and offers a variety of layouts – boardroom, U-shaped, auditorium, banquet and cocktail styles. A smaller room on the first floor offers an elegant venue for smaller meetings of 4 to 6 people.
