

Greetings,

This charming 5-star **Relais & Chateaux**, historic manor house resides on 35 acres of garden and birch forest along the lakeshore in North Hatley, in the Eastern Townships of Quebec, about 75 min drive from Montreal and only a short half-hour from the Vermont border. Modeled after George Washington's Mount Vernon home, the manor became an inn in 1950.

This month, *Travel + Leisure* unveiled its coveted *World's Best Awards* and thanks to our loyal guests **Manoir Hovey has been ranked #1 Best Resort Hotel in Canada 2016**.

In addition, **Manoir Hovey was also ranked #19 on the *Travel + Leisure* "The 100 Best Hotels in The World" list 2016**.

We are both delighted and very pleasantly surprised to learn about this award. To earn the top spot, particularly among such well respected hotels such as other *Relais & Chateaux* properties, *Ritz-Carlton* and *Four Seasons* properties around the world, is quite an honor. It also tells us that travelers continue to seek out charming, authentic, unique experiences that convey a true sense of place, and that is what we continuously strive to provide our guests.
