AIX-EN-PROVENCE

Unique opening this summer : Villa Pigonnet*****

Your home in Provence

The Villa Pigonnet will be opening mid-summer 2019
when the cicadas song is at its peak.

Provençal blue skies and brilliant sunshine enhances the villa's typical 1930s architecture and the elegance of the 4 exquisitely decorated Deluxe rooms within.

All our 5* hotel services are available at the villa. The superb Mediterranean garden and swimming pool embody the true charms and sense of place on offer.

Just outside the charming centre of Aix-en-Provence, let the peacefulness of the enchanting gardens wave over you and unwind after exploring Provence during the day (Sainte-Victoire mountain, Blue Coast, Alpilles, Luberon and more).
