

Foresta Lumina

FROM **276\$** PER PERSON

Foresta Lumina is a night-illuminated pathway created for one of the most-travelled trails in Quebec, famous for its suspended footbridge, the longest in North America. Designed for people of all ages, this pathway is the product of innovative stage design, lighting, and video mapping, and features an original soundtrack. The trail leads into a world inspired by the region's legendary characters and Quebec's forest mythology.
